

Summer Tutoring and Enrichment Program Schedule

Math

Math for 7th–8th graders and 9th–12th graders who need remedial work

- Basic Mathematical Operations, Solving Linear Equations, Solving Quadratic Equations Factoring, Properties of Exponents, Sequences
- Solving Linear Inequalities, Finding Equations of a Line, Graphing Equations. Solving Linear Inequalities, Word Problems

Meetings

1. June 13—4:00–6:30 pm (Advanced English)
2. Sat. June 19—12:00–2:30 pm (Advanced English)
3. Sat. July 10—12:00–2:30 pm (Advanced English)
4. Sun. July 11—4:00–6:30pm (Advanced English)
5. Two additional classes will be added, to be announced at a later time.

Math for 10th–12th graders and Advanced 9th graders

- a. Selected Topics in Elementary Algebra such as Factoring and Solving Equations, Inequalities, Equations of a Straight Line and Equations of a Circle, will be reviewed.
- b. Solving Systems of Equations, Exponential and Logarithm Functions.
- c. Plane Geometry: Properties and Relations of Plane Figures, Congruency
- d. Trigonometry

Meetings

1. Sun. June 13—1:30–4:00 pm (English for struggling students)
2. Sat. June 19—9:30 am–12:00 noon (English for struggling students)
3. Sat. July 10—9:30 am–12:00 noon (English for struggling students)
4. Sun. July 11—1:30–4:00 pm (English for struggling students)
5. Two additional classes will be added, to be announced at a later time.

Grammar & Writing Workshop for Struggling Writers Rising 7th–12th Graders

This workshop is designed for students who are struggling with basic writing skills including grammar, punctuation, sentence structure, planning, drafting and revising. Instruction will focus first on developing and practicing sentence-level skills and will culminate with practice in developing paragraphs that focus on the modes of writing (narration, exposition, definition, classification, description, process analysis, and persuasion).

Meetings

1. Sun. June 13—1:30–4:00 pm and Math—advanced group during this time
2. Sat. June 19—9:30 am–12:00 noon and Math—advanced group during this time
3. Sat. July 10—9:30 am–12:00 noon and Math—advanced group during this time
4. Sun. July 11—1:30–4:00 pm and Math—advanced group during this time
5. Two additional classes will be added, to be announced at a later time.

College Admission Essay/Scholarship Essay Workshop for Rising 10th–12th graders

This workshop is designed for students who are in the process of or who are ready to begin the college application and/or scholarship application process. Students will write a general college/scholarship application essay using common application prompts, and they will be given tips for revising the general essay they have created to meet the criteria for specific applications. Students will be given the opportunity to work on actual college and scholarship applications that will be ready for submission at the conclusion of the workshop.

Meetings

1. Sun. June 13—4:00–6:30 pm and Math—struggling group during this time
2. Sat. June 19—12:00 noon–2:30 pm and Math—struggling group during this time
3. Sat. July 10—12:00 noon–2:30 pm and Math—struggling group during this time
4. Sun. July 11—4:00–6:30 pm and Math—struggling group during this time
5. Two additional classes will be added, to be announced at a later time.
