

PROJECT C.A.R.E.S.

Summer Tutoring and Enrichment Programs

We invite students and volunteers of the Mason-Gailor community to participate in the Project C.A.R.E.S. (Community Arts and Education tutoring Services) literacy enrichment program.

What:

Project C.A.R.E.S. is a literacy enhancement program designed by university English/Reading Professors to enhance students' leadership skills through literacy by:

- enhancing sophisticated reading and writing skills
- enhancing test-taking skills
- building technology skills
- developing oratorical skills
- producing mini-books on the history of the Mason and Gailor community

Who:

- Students ages 6–19
- Volunteers of all ages who have an interest and/or expertise in reading

Literacy Power

Empowering All Children to Become Successful Learners
